## NOTICES

*Please note that the deadline for items to be included in the Notices is Thursday lunchtime*

### Thank you!

Many thanks to everyone who came to help at the Working Party on Saturday 6<sup>th</sup>. It is a busy time of year in all gardens, so your help is greatly appreciated.

### Coat of Hopes

The Coat of Hopes is a patchwork pilgrim coat, on an ongoing walk through Britain. Made, worn and walked by many hundreds of people during and since the pilgrimage on which it was created, from the south coast of England to the gates of COP 26, the UN climate summit, in Glasgow autumn 2021.

The Coat is made up of pieces of blanket into which people have worked their griefs, remembrances, prayers and hopes for the place they call home.

The Coat will be brought on the train on Saturday evening to Sheffield railway station. Ideally a group of us will meet the Coat and process it from the station to St Andrew's Psalter Lane Church. If wet, we will bring it by car or taxi.

On **Sunday 21st July** Jenny Carpenter, who is leading our Eco Service, proposes to give people the opportunity to wear the Coat after the service, then if fine we walk the Coat to Wisewood Methodist Church for the 3.00 pm Circuit Service at which we say farewell to the two ministers who are leaving this summer. She hopes to involve people from other eco churches in this.

## Inclusive Church Audit

Following the recent Away Days, the ECC has requested that an Inclusive Church Audit be performed. This will involve reflecting on our current practice and exploring whether there is anything more we could do to be a welcoming and inclusive community for everyone. This will include consideration of both our physical and digital presence.

Anna would very much welcome volunteers from anyone in the congregation who would like to be involved in this process. The commitment would be two meetings- probably one in July and one in August. If anyone is interested in contributing to this, or has any comments please contact Anna Calvert. ([annacalvert1@googlemail.com](mailto:annacalvert1@googlemail.com)). Anna Calvert

## City of Sanctuary Appeal

City of Sanctuary Sheffield's vision is for our city to be a place of safety and welcome for people seeking sanctuary.

This summer City of Sanctuary Sheffield are moving out of The Sanctuary to make way for exciting building works on Chapel Walk. We are taking this opportunity to do some building of our own - vastly improving The Sanctuary for the approximately 1500 people who come through the doors each month. The redesign plans will make The Sanctuary:

- More **welcoming** and **safe** for those seeking sanctuary.
- More **useful** for all the groups who use the centre.
- More **beautiful**, becoming a beacon of hope in difficult times.
- More **tailored** to the requirements of people seeking sanctuary and those working in solidarity with them.

In order to make these crucial improvements, we need to raise an additional £15,000 and need your help to reach our target. Your support will help us continue to offer a welcoming, safe, and beautiful environment for those seeking sanctuary in Sheffield.

Please click here and consider [donating to our GoFundMe campaign](#) and share it with your network to help us reach more people who believe in our mission.

### **Hidden History Of People Of Colour Uncovered**

Sheffield Cathedral is participating in a ground-breaking arts exhibition which sheds light on the hidden histories of South Yorkshire's minority communities. Commissioned and curated by '*Dig Where You Stand*', the cathedral is one of five Sheffield venues to be displaying artworks from **Saturday 20 July to Sunday 18 August 2024**.

'Dig Where You Stand' is a collaborative exhibition by 14 artists of colour, all based in South Yorkshire, who have explored local archives and produced dynamic new work to reveal the unknown history of people of colour in the region.

Just as histories are written across a city, this multi venue exhibition will display artworks across a range of highly visible public spaces. Make your way around Sheffield city centre and be moved by a stirring mixture of painting, poetry, puppetry, soundscapes, film, textiles, and live performance.

For more information about the exhibition including profiles about the artists and exhibition venues visit the [Dig Where You Stand website](https://www.dwys.co.uk/) at <https://www.dwys.co.uk/>
