

# Welcome to St Andrews Psalter Lane Church

In order to ensure that your visit is as safe as possible, please observe the following rules:

## General rules:

- Observe 2 metre social distancing from anyone outside your bubble at all times.
- Please do not linger in the Narthex, entrance to the main part of the church, the porch, or just outside the doors.
- Please complete a card giving your contact details; we will inform you if anyone who visited before you today tests positive for Covid-19. The cards will be held securely and confidentially for 3 weeks and will only be used to 'Test and Trace'.
- Avoid touching surfaces and equipment; some doors have been wedged open to increase ventilation and reduce use of handles.
- Always catch coughs and sneezes in a paper handkerchief (and dispose of this in the bin provided), or in the crook of your arm.
- There is a toilet available: Please use disinfectant

wipes on all surfaces and handles after use, and use the wipe to open the door. It can then be disposed of in the bin provided.

## While you are in the main part of the church:

- Please sit only in seats with a 'Sit Here' card; when you leave, please turn the card over so no-one else sits there. Please sit in an open row, at least 4 seats away from anyone in the same row, and do not sit where there is a 'Do Not Sit Here' card.
- Please put clothing and other belongings under your seat. Do not put them on other seats and remember to take them with you when you leave!
- You are welcome to use the hymn books and Bibles, but if you do, please leave them on your seat with your turned-over 'Do Not Sit Here' card.
- Eating, drinking, chanting and singing aloud are not permitted.
- Please remain seated until you can leave without queueing.

We hope you will enjoy your visit, and we look forward to the day when we can welcome you back for worship!
