

Let us pray for the Church and for the World and thank God for their goodness.  
We thank you that you promised to hear us when we pray in faith. So we have the temerity to talk to you as family, your children & your friends.  
Thank you for the beautiful white flowered trees that we see in springtime. They are wonderful this year.

Thank you for the generous church in this place. Thank you for the gifts of expertise, money and time that are made. So that the community here can function well spreading the knowledge of your love. We ask for guidance at the AGM later today.

Bless Charles our king. Granting wisdom to his government so it can create just laws and not deny rights to vulnerable people. There are new wars added to the older ones that still rumble and roar spreading fear and death. Let those involved remember their humanity and seek a just peace as there can be no peace without justice.

Comfort and heal those who are sick. There are lists of those we love written on our hearts as well as in newsletters. There are so many different ways to be ill! Bless those who join Jesus in the work of healing the world. There is so much to do.

Hear us as we remember those who have died. The victims of national greed or personal bigotry and hate. Both young men like Stephen Lawrence and those sent to die by political forces out of control. Grant them all the joy of your salvation and life in your presence. You died so that we might all be saved.

Rejoicing in the fellowship of Andrew and all the saints we commend ourselves and all people to your unfailing love.  
Merciful Father, accept these prayers on behalf of your Son our Saviour Jesus Christ.
