

Luke 6:27-38

Jesus teaches his followers to show love and kindness to everyone, even their enemies.

Jesus encourages us to love others, even when they upset us.

Shade in every X, Y and Z to reveal ways Jesus says we can have a generous spirit.

On one side of the coin, draw a time someone upset you. On the other side of the coin, draw a way you could show them love.

Match up the sayings of Jesus.

When someone hits you on the cheek

do not ask for it back

When people are cruel to you

offer the other cheek

When someone takes your coat

let them have your jacket as well

If someone takes what is yours

give to them

Everyone who asks of you

pray for them
