Transfiguration

Luke 9.28-36,(37-43)

Jesus takes his disciples for a mountaintop experience they will not forget, and one that shows them that he is the Son of God.

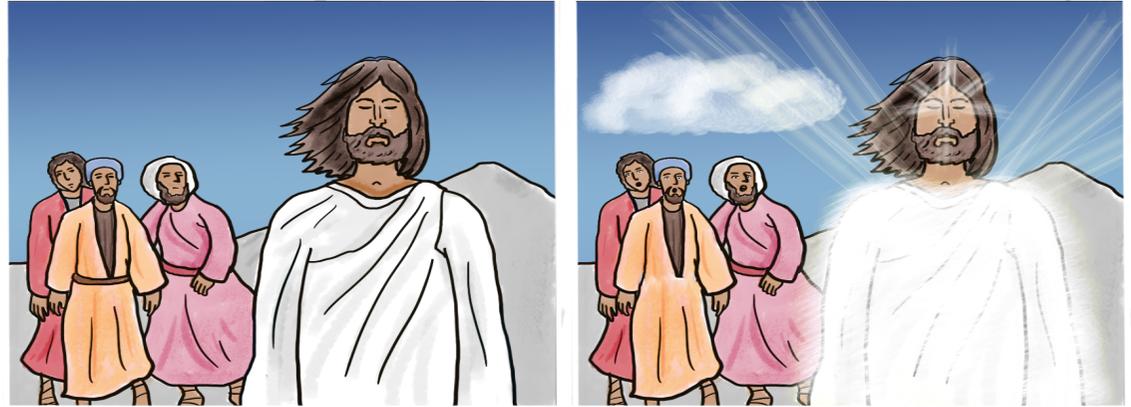

The disciples are still amazed by what they saw at the top of the mountain, as they return to normal life.

## Jesus Love Write

Create a calligram poem: make a mountain shape just using some of the main words which have inspired you from this week's passage.

Circle the seven differences between these two pictures.

Draw a picture of the most amazing thing which has ever happened to you!
