

Job 42:1-6,10-17

Job speaks with God and acknowledges God's greatness, and is blessed with more than was taken away.

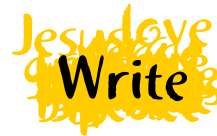

Job was blessed by God.

Job was blessed with money, gold jewellery, sheep, camels, oxen and donkeys. Can you add all these to the picture?

Job was blessed with **twice as much** as had been taken away from him. Can you work out how many of each animal were taken away from Job at the start of the story?

Can you write a summary of the story of Job?
