

St Andrews Psalter Lane Church

The Methodist Church Walking with Micah project aims to establish a new framework for the Church response to issues of Justice and Peace. To do this we are inviting you to

Imagine a fair, more equal and life-bringing society and world...what does that look like? To get there, what is the most important issue that needs addressing?

And what is one key action for you and for St Andrews Psalter Lane that needs to be taken to address it?

It will help us to frame the church's position, both locally and nationally, if you can answer these questions:

1. If you were to dream of a just society, what three words would you choose to describe it?

2. What do you think is *the* most important issue that needs addressing?

You might want to think about poverty, refugee/asylum seeking justice/climate change/economic policy/tax justice/ community relations/human rights/crime/health policy and many more

3. What are the most significant challenges to achieving it?

4. How do you feel about the way churches nationally speak and act on issues of justice and peace

They do too much

They do enough

They could do more

Please add any instance that comes to mind.

5. What could or should St. Andrew's Psalter Lane Church do to address key issues?

6. Please tick the three activities that churches should undertake that you feel are most important TO YOU

Foodbank hosting or collecting food for foodbank

Support for asylum seekers or refugees

Hosting night-shelter for homeless people

Community café or provision of meals

Support for elderly in their homes

Drop in/meals for elderly or isolated

Support for people with disabilities

Support for other groups, eg new parents

Traidcraft stall

Amnesty group or letter writing group

Climate change action group

Involvement in campaigns

Other – please specify.....

7. In which of the activities you have selected should St Andrews Psalter Lane co-operate with other churches or with community or pressure groups to undertake these?

8. What are your personal sources of inspiration and hope?

Please return the form to church or email to anne.hollows@gmail.com if possible by Sunday 29th May
